AI Overview

To open a right-click menu using a laptop mousepad (touchpad), tap or press with **two fingers** at the same time. Alternatively, you can press the bottom-right corner of the pad or click while holding the `Ctrl` key.

Opening and Using Touchpad Menus

- **Two-finger tap:** Tap two fingers gently on the pad to open a shortcut or right-click menu.
- **Bottom-right click:** Press down on the lower-right corner of the touchpad area.
- **One-finger tap:** Tap with one finger to select or left-click an item.

Adjusting Touchpad Settings

You can customize what your gestures and taps do by opening your computer settings:

- **Windows:** Go to **Start > Settings > Bluetooth & devices > Touchpad**.
- **Mac:** Go to **Apple menu > System Settings > Trackpad**.

Watch this brief tutorial to see how a touchpad handles clicks, scrolling, and shortcut menus:
